

PRESCHOOL DAILY ROUTINE

Cross of Glory Learning Center Preschool Class

Teacher: Miss Sarah Detro

- 7:30 - 8:30 Arrival Time
Children arrive and can explore table toys
- 8:30 - 9:00 Greeting Time
Teacher greets children with morning song.
We find out: the day of the week, date and what the weather looks like. Then, we read two or three quality literature books along with finger plays and songs.
- 9:00 - 9:20 Snack Time
Teacher leads the children in a prayer and then the children sit down at the snack/lunch tables.
- 9:20 - 9:30 Bathroom Break
- 9:30 - 9:50 Movement/Music Time
On Monday, Wednesday and Friday the children will do movement time. We will be using: balance beams, bean bags, movement scarves, hula hoops, our outside playground, etc. During this time the children will use their gross motor skills.
On Tuesday and Thursday we will be doing music activities. We use a special music curriculum, Sing and Make Music, which teaches the children the basics of music.

- 9:50 - 10:10 Bible Story Time
This is the most important time of our day. The children learn about Jesus their Savior through Bible stories and songs. The teacher will tell the Bible story using voice and props. Towards the end of the week the children will be able to tell the stories themselves!
- 10:10 - 10:20 Planning Time
The children will use objects to tell the teacher what they would like to play with during work time. For example, Susie talks into a phone and tells the teacher (who is on the other phone) that she would like to build a big castle with the legos.
- 10:20 - 11:00 Work Time
Children carry out the plans they made. The teacher and aides help support, carry out and add to their plans. So much learning takes place during this time.
- 11:00 - 11:10 Clean Up Time
The children stop what they are playing with, clean up their messes and help others.
- 11:10 - 11:20 Recall Time
The children go back to the small groups that they planned in and tell what they did during work time. They may draw what they did, tell it again on the phone or various other ways.

- 11:20 -11:40 **Small Group Time**
During this time the teacher has special activities planned for the children to carry out. These are all in accordance with the Key Experiences . These activities, although teacher planned, still provide the children room to manipulate and explore their own special way.
- 11:40 -11:50 **Bathroom Break**
- 11:50 - 12:30 **Lunch Time**
The teacher leads children in a prayer (thanking God for their food) and then the children sit down at the table to eat. When children are done they go to the bathroom to wash up and then find their mats on the floor.
- 12:30 - 2:30 **Nap Time**
Children lie down on mats while soft music plays.
- 2:30 - 3:00 **Wake Up Time**
Children wake up, go to the bathroom, put away mats, get on their shoes and then find a book to read at the table.
- 3:00 - 3:30 **Snack Time**
- 3:30 - 3:45 **Movement Time**
- 3:45 - 4:30 **Table Toys Time**
The teacher chooses different toys that the children can work with at the table
- 4:30 - 5:30 **Departure Time**
